No. 8, October 2003**

Hi Friends, Clients, Etc.

There will be no October newsletter ...this letter will serve as a newsletter. (do I hear cheering in the background???) due to the fact that we are FINALLY making our move to Washington State. In fact, the movers are coming today.... in order to preserve our marriage, I am NOT at the move site.....

It has been a wild month... on all fronts... energetically, emotionally and certainly physically (we had yet another opportunity for clearing our bodies - we were rear ended. Our car was stopped waiting to make a left hand turn, a lady ran into us going about 50mph... yep, she stopped... and, yep, our car got to receive a new "butt" and we get to do some physical clearings.....but are ok and on to Washington).

Little News:

1. We have signed up for PayPal, which should make it easier to use credit cards over the internet.... drsmick@drsmick.com
2. We have developed a new way to prevent hooking, cording, and psychic attacks attaching themselves to a person. Here is the write up:

Creating Your Own Personal Orb of Energy

There are times in your life when you are corded or there is an energy sent by someone that is hooked into your auric field. This could be a family member a friend or someone that sees something in you that they personally want. You as a compassionate person have allowed this to take place. There are times that you have gone and cleared out these cords.

How do they get in if you are continuing to do the "Gold Light Exercise", etc.? If someone called you on the phone where there was an element of surprise or shock, you take a breath of air in, when this happens, the energy being sent to you by the person on the phone anchors into your auric field.

When we create your personal orb of energy, the cords being sent to you will go into the orb and not your own energy. This is the same for psychic attacks sent to you or someone trying to "hook" into your energy field – they will all go to your personal "orb", not to you.

This technique is done during a private phone consultation with Dr. Loren Mickelson. Cost: \$220. If you are interested, either call or write an email.

Well, that is it for this short note.... gotta go look like I am busy. Diane
